## PROFESSIONAL SUMMARY

Senior Designer and Art Director with 7+ years of experience, combining creative range, brand thinking, and business acumen. Track record across Brazilian and international projects, delivering both online and offline work, currently at a B2B financial services company focused on digital assets.

## PROFESSIONAL EXPERIENCE

### Senior Designer | Art Direction - Enor Securities

Remote · San Salvador, El Salvador | Apr 2025 – Present

- Own the brand's visual expression across every touchpoint, creating work for audiences in more than 200 countries, from campaigns and corporate communications to sales materials and digital products.
- Led the group's rebrand from research and benchmarking through implementation, unifying the identity of 5+ business units, from wealth management to payment technology, with operations in countries such as Brazil, Paraguay, and the Bahamas. Built the Brand Guidelines, visual governance processes, and an initial Design System foundation.
- Designed and built the group's new corporate website, from navigation architecture to final interface, using AI-assisted development and a CRM-integrated contact form.
- Art direct offline materials for trade shows and industry events, including booths, backdrops, and banners, approving assets produced by print shops and external vendors and reviewing brand applications created by other teams.
- Produce the brand's audiovisual content, from photo and video capture at events to aftermovie editing and social media motion graphics, using generative AI for video and animation.
- Developed AI and automation workflows for presentations and other brand materials, connected to Enor's templates and visual standards, reducing manual steps, operational load, and reliance on centralized execution while giving Marketing and Sales greater autonomy.

### Art Director - Macaw Marketing

Remote · Caxias do Sul, Brazil | Jul 2025 – Sep 2025

- Directed and managed multidisciplinary creative requests, ensuring visual consistency across campaigns, digital channels, and brand initiatives.
- Created and rolled out branding, social media, email marketing, and event projects, defining concepts, key visuals, and assets across multiple formats.

### Graphic Designer - Click.CO Agency

Remote · Angra dos Reis, Brazil | Mar 2024 – Apr 2025

- Created visual identities, key visuals, and digital content for clients across industries, tailoring language and aesthetics to each audience and brand moment. Worked directly with clients on briefs, alignment, revisions, and delivery follow-up.

### Co-founder | Graphic Designer - Green Coast Media

Hybrid · Angra dos Reis, Brazil | Mar 2020 – Sep 2021

- Co-founded the agency and built its creative practice, serving small and mid-sized businesses with visual identity, campaign, and digital communication projects. Directly involved in briefing, client relationships, concept development, and defining the solution for each project.
